

MNU 2-20a

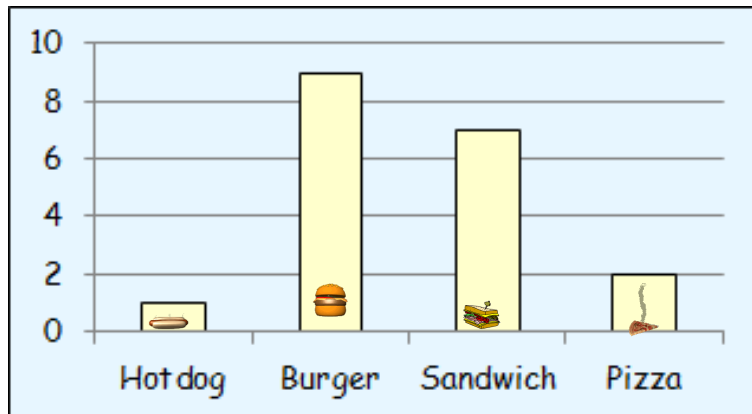

Outcome 1 - Bar Graphs

1

How many more children were asked altogether?

2

How many more people were asked altogether?

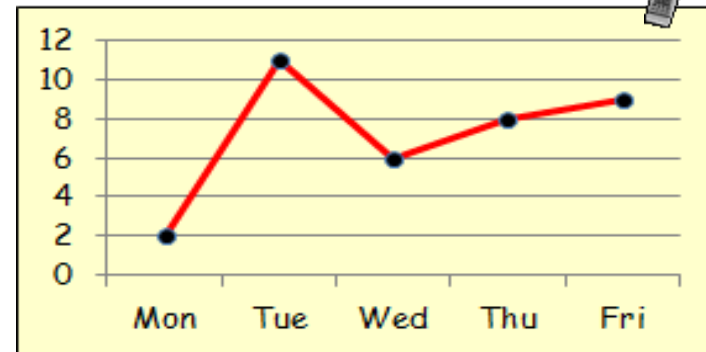

Homework 5

Gold Level

Outcome 2 - Line Graphs

1

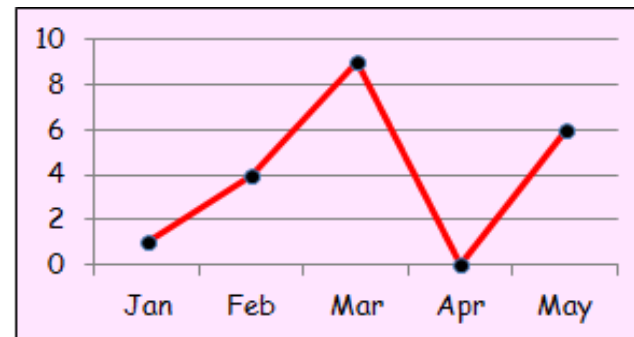

The Line Graph shows the number of hours television watched by Cari during the October week.

On average, how much television did Cari watch per day?

2

The Line Graph shows the number of pounds Fern lost after going on a diet as her New Year's resolution.

On average, how much weight did Fern lose per month?
