## Saturday jobs help teenagers prepare for work

School children should get part-time jobs to help prepare them for the world of work, the work and pensions secretary has said.

Esther McVey said there had been a "significant decrease" in the number of teenagers working on a Saturday.

On the 1<sup>st</sup> of April 2018, the minimum wage for a worker under the age of 18 increased to £4.20 per hour.

An iPhone 10 contract with Vodafone costs £57 per month.

Would a 16 year old on minimum wage be able to afford an iPhone 10 contract from Vodafone by working for 3 hours every Saturday? Give a reason for your answer!
