2017 G20 Hamburg summit this weekend

The annual meeting of the G20, the leaders of the world's 19 wealthiest nations plus the European Union, was held in Hamburg this weekend.

We thought it would be interesting to look into what some of the world leaders take home every year.

Theresa May, the UK prime minister, earns £150 402.

Angela Merkel, the German chancellor, earns €242 000.

Vladimir Putin, the Russian president, earns 8.86 million Russian Rubles.

Donald Trump, the US president, earns \$400 000.

Who earns the most and who earns the least?

YOU MUST SHOW YOUR WORKING!!!

Current Exchange Rates:
£1 = €1.13
£1 = \$1.29
£1 = 77.87 Russian Rubles

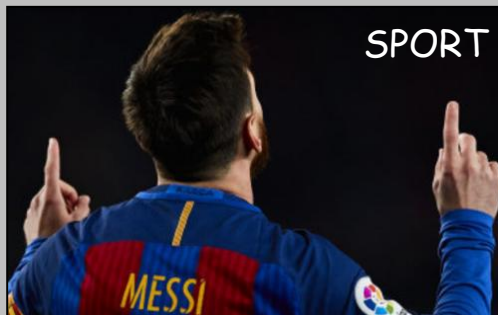

Lionel Messi signs new Barcelona contract

Lionel Messi has agreed a contract extension which will keep him at Barcelona until the summer of 2021.

Messi's new contract is worth £500,000 a week, making it the most lucrative deal ever agreed by a European club.

Before signing this deal he was estimated to be on around £336 000 a week. Express his wage rise as a percentage of his previous wage. **Round your answer to 1 decimal place.**

Man "addicted" to Greggs the Bakers!

Luke Parker, 25, has scoffed his way through two bacon rolls, two sausage rolls and two lattes every single day for the past year and admits he "can't live without" Greggs!

A latte from Greggs costs £1.75, a bacon roll also costs £1.75 and a sausage roll costs 85p. How much did Luke spend in Greggs last year?

World Chocolate Day celebrated on Friday!

World Chocolate Day, sometimes referred to as International Chocolate Day, is an observance that occurs globally every year on the 7th of July.

Did you know that eating chocolate responsibly can be good for your health????

This large bar of Cadbury's Dairy milk contains 3 rows each with 8 squares in them. Altogether, the bar contains 648 calories.

The recommended portion is 3 squares of chocolate. How many calories are there in a recommended portion of Cadbury's Dairy milk?
