Theresa May calls early general election

MP's have backed UK Prime Minister Theresa May's plan for a general election on the 8th June - three years earlier than scheduled.

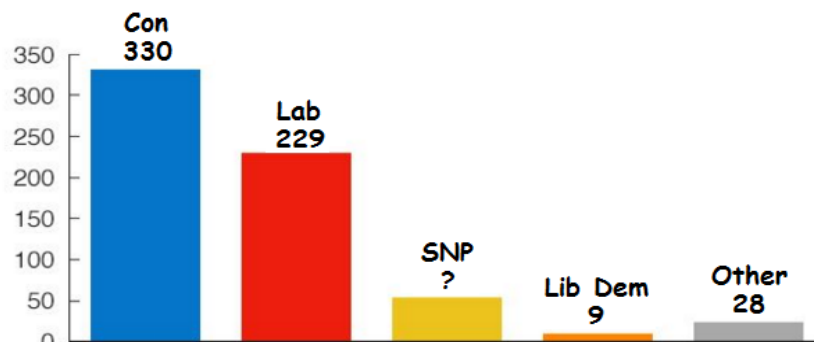

A general election is how the British public decide

who they want to represent them in Parliament, and ultimately run the country.

There are 650 seats in the UK parliament. Currently, how many belong to the SNP?

Aldi crisps and Hula Hoops revelation 'proves' what you've probably suspected all along!

An Aldi customer has accidentally revealed why their own brand 'Hula Hoops' look and taste exactly like the real thing - they are made in the same place!

Mrs O'Hanlon found an unopened packet of Aldi Hoops inside a multipack of KP Hula Hoops.

A spokesman for KP said; "KP Snacks does make products for Aldi at the same site as its own Hula Hoops brand, although the products are made on different lines and to different formulations."

Snackright Hoops are sold in packs of ten 25g bags for 99p. A seven pack of 24g bags of Hula Hoops cost £1.45.

- How much cheaper are Snackright Hoops per bag?
- How many more grams are in a multi-pack of Snackright Hoops than a multi-pack of Hula Hoops?

World's oldest person, Emma Morano, dies at age of 117

The world's oldest person has died in Italy at the age of 117.

Emma Morano was born on the 29th of November in the Piedmont region of Italy.

What year was she born?

Six-year-old scores hole-in-one!

A six-year-old has become the youngest player to score a hole-in-one at Bruntsfield Links - and adhered to the tradition of buying a drink (albeit coke!) for his fellow members to mark the achievement.

Primary two pupil Jack Dunn holed the 134-yard par-three seventh at the Edinburgh course using his driver.

The official odds on a pro golfer making a hole-in-one are 2500 to 1.

What is the probability of a pro golfer scoring a hole-in-one?

Give your answer as a fraction, decimal and percentage.
