More than 100 000 men expected to propose on Valentine's Day

A new study found that 5% of eligible men in the UK are expected to get down on one knee on the 14th of February and ask their loved one to marry them.

There are 2.3 million eligible men in the UK.

How many men are expected to propose to their partners on Valentines day?

If any men are reading this, please note that Poundland are now offering rings for £1.

Cdmasterworks Ltd

There are 5 to choose from and they come in a lovely box. This will save you £1470 on the average cost of an engagement ring!

Grey is the UK's favourite car colour for the first time

You might have blamed the winter gloom, but if the traffic ahead of you appears a bit drab, it is because the view really is greyer than it was.

One in five new car registrations last year were grey - making it the most popular colour choice in the UK for the first time ever.

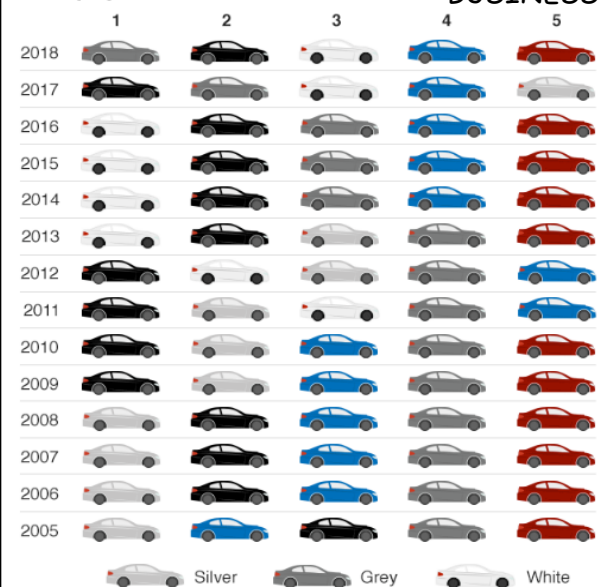

(a) Write this figure as a fraction, decimal and percentage.

There were 2.5 million new car registrations in the UK last year.

(b) How many of them were grey?

Two winners from Kirkcudbright strike it lucky in People's Postcode Lottery!

Two lucky players in Kirkcudbright, Scotland were celebrating after their postcode DG6 4AN was drawn in the People's Postcode Lottery.

They shared £90 000 in the ratio of 2:1 due to one of the players buying two tickets!

How much money did each player win?

The Chase is looking for new contestants to appear on the show

Do you watch The Chase religiously each and every night? Well you might be interested to know that the show is looking for brand new contestants to appear on the 13th season of the show.

You could be up against some of the finest quizzers in the United Kingdom, the Chasers! But don't worry, sometimes even the most talented quizzers can answer a numeracy question incorrectly!

In one episode The Vixen was asked "how many eggs make up six dozen?" to which she replied 64.

Can you explain what the correct answer is? If you want to have a go because you think "you're clever enough" then apply here; <https://itv.etrabez.com/a/itv/thechase/welcome>
