King Charles coronation logo created by iPhone designer

The official logo for King Charles III's coronation, to feature in street parties, social media and souvenirs, has been revealed by Buckingham Palace. It has been created by Sir Jony Ive, known for his innovative designs of Apple gadgets, including the iPhone. The floral design highlights the "optimism of spring" and reflects the King's love of nature, according to Sir Jony.

Ignoring the writing around the sides, how many lines of symmetry does the logo have?

Netflix extends crackdown on password sharing to more countries

NETFLIX

Netflix is introducing limits on password sharing in four more countries: Canada, New Zealand, Portugal and Spain. Customers in those countries are being asked to pay an extra fee if they want friends and family who don't live with them to share their subscription.

The move follows a crackdown on sharing passwords in South America, and will roll out in the UK by the end of March.

Does your family currently share your Netflix password?

Bobi named oldest dog ever breaking historic Guinness World Record

A dog in Portugal has been named the world's oldest ever by the Guinness World Records - beating an almost century old record.

Bobi, purebred

Rafeiro do Alentejo, a breed which normally has a life expectancy of between 12 and 14 years, is 30 years old.

As a general guideline 15 human years equals the first year of a dog's life. Year two for a dog equals about nine years for a human. And after that, each human year would be approximately five years for a dog.

Approximately, how old is Bobi in human years?

Massive sewage pipe 'eyesore' built outside Wellingborough homes

Residents on a street where an above ground sewage pipe has been built outside their homes have called it an eyesore.

The temporary structure in Stanton Cross, Northamptonshire, will allow repairs to take place on the underground pipe.

One person living nearby said: "It's an absolute eyesore and sometimes it really does smell, especially if the wind is going in your direction."

Did you know that 16 billion litres of sewage is flushed away by homes and businesses in the UK every day???

How much sewage is flushed away in the UK each year? Give your answer in WORDS.
